Labels can be finished in rolls, sheets or fan-folded.

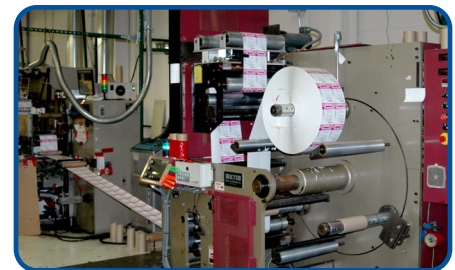

Digital Printing Capabilities

8" print width, 4 color process, UL labels, Durable Goods, 2-D bar codes, consecutive barcodes, consecutive numbering, variable imaging, short runs, multiple SKU's, fade resistant inks & prototyping.

Our Value-Adding Guarantee:

If we cannot provide your qualifying company* a solution to lower your total cost of doing business, even after just one visit, we will run a month's supply of any label of your choosing for free!

*Qualifying companies must purchase over \$50,000 per year of custom labels

"True Label is a great company to work with. They understand my urgency and treat Spartan as a very valuable client. They are not satisfied with the status quo - they continually look for new ways to help us meet our needs for the absolute lowest total cost."

– Bill Schalitz, Spartan Chemical
